- 11. Entries in the Horticulture Department are open to residents in Wright County or adjoining counties.**

## Vegetable and Fruit Section

When selecting entries for exhibit, the condition and uniformity of size are factors in judging, so choose carefully. Table use size is preferred.

Gently wash all dirt off, do not scrub!

Do not remove husks from corn or skin from onions.

A strip of corn husk is to be peeled back sufficiently so the judge may see top of each ear and condition of kernels. Cut off roots from onions. Pick onions a few days before fair so they can dry.

Exhibit herbs in water.

Judge's decisions are final. The cardboard should not extend more than 1/2" from the edge of the product. All products must have entry tags securely tied to pass.

## Flower and Plant Section

Most flower specimens should be conditioned: cut stems evening before entering, place in water immediately, gently wash if dirty, pick off any bugs or damaged leaves, keep in cool place overnight.

Condition, uniformity of blooms, straightness of stems, healthy foliage will be some of the factors considered by the judge. Labeling entry with name of variety will be an asset.

Bring specimens in suitable inexpensive clear glass containers (no colored). Stems must be visible to judge without removing flowers from container. Some attached foliage must remain on stem having foliage. Please do not have foliage under the water line on specimens where removal is possible. All stems must be the same length. Plastic wrap may be used to cover top of containers so stems are straight.

The chairman shall have the right to remove an exhibit if it becomes unsightly. Exhibitors may replace wilted flowers, after judging, if they wish.
