Condition, uniformity of blooms, straightness of stems, healthy foliage will be some of the factors considered by the judge. Labeling entry with name of variety will be an asset.

Bring specimens in suitable inexpensive clear glass containers (no colored). Stems must be visible to judge without removing flowers from container. Some attached foliage must remain on stem having foliage. Please do not have foliage under the water line on specimens where removal is possible. All stems must be the same length. Plastic wrap may be used to cover top of containers so stems are straight.

The chairman shall have the right to remove an exhibit if it becomes unsightly. Exhibitors may replace wilted flowers, after judging, if they wish.
